Stadium Guidelines

At Live Oak Junior High, we are dedicated to creating an inclusive and vibrant atmosphere during our football games, where students, fans, and the community can come together to support our Eagles while ensuring the safety and well-being of everyone involved. Our stadium is more than just a venue for games; it's a space where lasting memories are made, friendships are strengthened, and a sense of unity prevails.

Staying Together, Cheering Together:

Elementary and junior high/middle school students must be accompanied by a parent/guardian, or they **will not** be admitted into the stadium. Elementary and junior high/middle school students must be **seated in the stands during the game**. No loitering is permitted. Aisles must be kept clear. **Congregating under the bleachers and around the concession/restroom areas is not permitted**. Parents/Guardians are responsible for their child's behavior and are responsible for their supervision during the game.

Substance-Free and Secure:

To maintain a safe and family-friendly atmosphere, we strictly prohibit the consumption of alcoholic beverages, tobacco, weapons, and drugs within the Live Oak stadium premises. This policy reinforces our commitment to providing a safe space for all attendees, especially our students. By adhering to this guideline, we create an environment where everyone feels comfortable and secure.

Entrance Policy:

Once attendees have entered the Live Oak stadium, we kindly request that they remain within the premises for the duration of the event. This policy not only enhances safety but also ensures an uninterrupted and engaging experience for all. In case someone needs to leave the stadium, re-entry will not be permitted.

All individuals who refuse to comply with stadium officials' directions will be immediately escorted from the stadium, will not be allowed re-admittance, and may be banned from school events for the remainder of the school year. All Live Oak Junior High School rules and policies apply.
